

HOW TO OBTAIN A TREAD WEAR PROTECTION ADJUSTMENT FOR AVON COBRA, STORM 3D X-M, AND SPIRIT ST TIRES

1. Tires must have been registered on the Avon website and original proof of purchase receipt attached within 10 days of original purchase. Program applies to the above tire ranges purchased between June 30, 2016 and March 31, 2018.
2. If your tires are worn prematurely and meet all of the requirements <https://www.avontyres.com/en-us/tyre-care/warranty/mileage-warranty/> seek out an Avon dealer to verify the tire is down to the wear bars and complete this Claim Form.
3. Email a copy of the original receipt showing date and mileage at time of purchase and dealer completed Claim Form to Avon Tyres North America to the email below along with pictures of 1) tire at or below wear bars 2) DOT code
4. For an eligible tire a replacement tire will be sent.
5. After receiving the replacement tire send a picture of the old tire with a knife cut through the sidewall.
6. To learn the location of your nearest Avon dealer, simply visit avontyres.com.
7. Mileage warranty is valid for up to 24 months from date of purchase.

“TREAD WEAR PROTECTION” ADJUSTMENT CLAIMS WILL NOT BE ACCEPTED IF THE CUSTOMER DID NOT Pre-register the tire with Avon using the website registration form within 10 days of ORIGINAL purchase or FAILS TO SUBMIT the following:

- Original proof of purchase
- Dealer Completed Claim Form
- Pictures as listed above
